

Meet Our Staff

Teresa Adamson
Licensed Clinical Social Worker, Certified Alcohol and Drug Counselor

Terri has over 15 years of experience in social work and clinical environments, treating concerns such as abuse and neglect, addiction, anxiety, depression, women's issues, parenting, and grand-parenting. Terri is also trained in EMDR Level I & II.

Bill Everhart
Licensed Professional Counselor, Pastoral Counselor

Bill is a Licensed Professional Counselor (LPC) and ordained Presbyterian minister (PCUSA). He specializes in spiritually sensitive psychotherapy for those dealing with substance abuse, grief, anxiety, depression, and other mood disorders.

Kate Corder
Licensed Professional Counselor

Kate has over ten years of experience working in the mental health field as a licensed professional counselor in schools and within the community. She specializes in working with children over four and has extensive training in Circle of Security Informed Therapy for parents and caregivers. Kate has special interests in ADHD, foster care, and play therapy. She also works with adults on infertility, adoption, depression, and anxiety.

Sarah Thomas
Licensed Professional Counselor

Sarah has seven years of clinical experience working with children, adolescents and adults. She has experience working in school and community settings, as well as experience working with a variety of mental health diagnoses including ADHD, anxiety, depression, trauma, autism, defiance disorders, and PTSD utilizing a collaborative treatment approach to best meet the clients needs.

Elroy Miller
Licensed Clinical Social Worker

Elroy has over 37 years of clinical experience in family services and mental health topics such as anxiety, depression, anger management, conflict resolution with marriage and family, young adults, and older individuals.

Matthew Schwartzentruber
**Licensed Professional Counselor
and Clinical Director**

Matt is an LPC who has worked in community mental health agencies with a diverse client base and addressing a range of mental health concerns. Matt places priority on each client's individuality and works within an attachment perspective that is psychodynamic in nature. Matt provides individual, couples, and family therapy options and holds a passion for psychotherapy and the growth process.

Harvey Yoder
Licensed Professional Counselor

Harvey has been an LCP at FLRC for over 30 years, and specializes in working with anxiety disorders and other emotional problems that contribute to distress in family and couple relationships.

Paige Harley
Licensed Clinical Social Worker

Paige Harley is an LCSW with five years of experience in the mental health field, including school settings and has worked primarily with school-aged children ages 5-12. Paige's special interests include grief work, depression and anxiety management, issues surrounding suicide loss survivors, and issues surrounding dysfunctional family patterns using a Bowen family systems perspective.

Amy Mercer
Licensed Clinical Social Worker

Amy Mercer is an LCSW with experience working with a diverse group of families and children in both school and community settings. She is a foster/adoptive parent herself and has a special interest in serving foster/adoptive families and children. She has also spent time living overseas and speaks Russian and French. She sees children and adults dealing with a variety of concerns, including anxiety and depression, grief, loss and attention issues.
